Employes Lambaste Regulations

Charging that instead of creating harmony among San Mateo County employes the proposed rules and regulations drawn up by the County Civil Service Commission would lead to further confusion, 22 elective and appointive county officials this week lambasted the proposal and asked that adoption be postponed until such time as a brief and definite set of rules and regulations can be drawn up by a committee representing the elective and appointive officials.

Not a single favorable comment for the commission's draft of rules and regulations for county employes was voiced at last night's meeting, John Fickeisen, head of the San Mateo County Employes Assn. Inc. Civil Service Committee, declared today.

One of the charges made was that the proposed draft was too bulky, taking up 30 typewritten pages, whereas many of those who attended last night believed the rules could be set up in three or four pages.

Another objection was what they described as the inclusion of George T. Stevens, secretary to the civil service commission, on the commission.

The clause in the rules and regulations to which they refer is:

"Section 7. Commission: When used alone shall mean the agency created by Section 1 of Article 14 of the Charter of the County of San Mateo known as the Civil Service Commission of the County of San Mateo and shall include the secretary of the civil service commission as created by Section 10 of Article 14 of the Charter of the County of San Mateo."

E. H. Cosgriff, counsel for the San Mateo County Employes Assn., wrote Pres. Emil G. Stein, that "after reading the tentative draft carefully, I am of the opinion that instead of clarifying the charter amendment and laying down simple rules and procedure, the proposed draft is so involved and contradictary that if adopted, I believe it will only lead to further confusion.

"If Article 14 needs a document of that length to make it workable. I would advise that you give consideration to submitting another civil service proposal to the voters. I would recommend that a committee be appointed to work with the elected officers and department heads, to draft simple rules of procedure under the present Article 14, which may be amended by the commission from time to time and have the association present that to the commission as a substitute for the present tentative draft."

Named to a committee to draft simpler rules and regulations were County Clerk William H. Augustus, County Treasurer A. H. Sagehorn and County Assessor Martin J. Flynn, who are to work with the association's civil service committee—Fickeisen, William Shade, J. L. Pierce, Mal Coombs and Charles Cheney—and Stein and Cosgriff.

Original date for protest was Nov. 30, but the time limit was extended to Dec. 20.

City Council Commends CD Activity

After hearing a review of the activities of Redwood City civilian defense and statements of opinion from each councilman, C. A. Russell of the State War Council and heads of many Redwood City civilian defense departments, the city council at a meeting this week went on record as commending the work of the War Council and approving continuance of its activities as in the past.

Several councilmen were of the opinion that defense activities might be curtailed to some degree. All, however felt that auxiliary fire, and police and medical workers were rendering an important service.

A large audience in the council chambers heard Russell stress the value of war services as a means of meeting home front problems caused by the war.

The discussion arose after a letter from the Redwood City War Council asking for a written statement of policy on civilian defense was read to the council.

The letter was written as a result of statements made by Carl Britschgi and agreed to by Evans Fletcher criticizing civilian defense as a waste of money.

Councilman Britschgi at last night's meeting said his remarks were not criticisms of anyone on the war council. Dangers of attack are lessening, he said, and "we should ease off in civilian defense." He said it would be better for air raid wardens if they were formerly notified of the curtailment of services than for them to drop out by themselves. He questioned the necessity of a $40 or $50 per month control center phone bill. Britschgi, commended all civilian defense personnel, but said "I just wonder about the future."

Fletcher said he had no criticism of the council or volunteers, but said "We're getting to a place now where the government is letting up. We should slack up with them."

Fletcher also suggested putting all civilian defense matters into the hands of the city manager. "I have no fight with civilian defense, but I just say that leadership is in the wrong place."

Councilman Hilton was of the opinion that "this thing is evolving down to a personal fight." He had no criticism of civilian defense.

Councilman George McNulty said he had been a regular attendant at war council meetings and thought "it had done a good job."

Councilman Chester Armstrong, said he would regret abolishment of the war council by the city council.

Councilman Harold Anderson, commending the work of civilian defense, said, "My thought was that since the dimout was relaxed, some of the duties of the war council might be relaxed. He thought that the war council had relaxed activities to some extent.

Britschgi suggested having city employes take up police and fire auxiliary work and be paid extra to meet the problem of civilian defense personnel who work out of town.

Department heads and other workers testifying of the good work of Civilian Defense and war services were Martin Flynn, bond drive chairman, Dr. James Thorton, Red Cross chapter chairman, Frank De Patta, chairman of Salvage for the War Council. Bert Werder, county fire warden and fire co-ordination of San Mateo County; Fred Carbine, zone co-ordinator.

Louis Dematteis, chairman of the public relations committee of the war council, said the war council members had always sought advice and had given a good deal of time to their work. He said he would like to have a feeling that both councils were working together.

Three Stanford Women Hurt In Santa Cruz Ave. Accident

Three Stanford women, Barbara Backer, and Marcia Long, of Beverly Hills, and Georgianna Baer of San Francisco are in the Palo Alto Hospital today as a result of injuries incurred when the car in which they were riding crashed into the bridge across San Francisquito Creek on Santa Cruz Ave. at 8 Monday.

All three girls were thrown from the open car when it failed to clear the sharp curve which leads onto the bridge.

Miss Backer, most seriously hurt, was tossed over the railing and down into the creek-bed below. The attending physician today said she had a concussion and face and scalp lacerations.

Miss Long also has a concussion and multiple contusions. Miss Baer's injuries were confined to a fractured finger and bruises. The driver of the car, Elizabeth Dickson, escaped injury. All of the girls are members of Kappa Kappa Gamma Sorority.

Andrew Y. Ramos of San Francisco was seriously injured at 11 p.m. Monday when the automobile he was driving rammed into the rear of an army truck on Bayshore Hwy. north of Ralston Ave., Belmont, the California Highway Patrol reported today .

Ramos was taken to Palo Alto Hospital and removed to the Santa Clara County Hospital. He suffered a scalp laceration and concussion and a broken right knee cap.

Hartly T. Wolfe, 20, Mills Field, was driver of the army truck.

3 Drivers Win Awards For Safety

Three Redwood City bus drivers recently received the National Safety Council award for driving one year with a perfect record, R. F. Martin of the Redwood City Bus Lines announced today. The award made at a recent meeting called by Martin to encourage smooth and safe driving in Redwood City, is given to drivers who drive one year without being charged as the cause of an accident.

The drivers were I. F. Noll, Sam Bell and Martin.

As part of his campaign to encourage good bus driving, Martin is offering a $15 prize to the driver with the best record for the month of December.

Martin said a demerit system will be used, with residents at various places on the route checking on the drivers and reporting errors. The prize will be awarded to the driver with the best record for smooth starting and stopping and meeting trains.

Asked how he liked women drivers, Martin said they are proving very satisfactory. They drive well, are alert and tend to be more conscientious than the men. Two women drivers, Vera B. Noll and Lydia More will be eligible for the National Safety Council award if they retain their perfect record until Dec. 15, he said.

SP Urges Civilians To Limit Travel

Anticipating heavy demands from furloughed service men and women for train accommodations during the coming holiday period, Southern Pacific today appealed to civilians to limit themselves to most urgent trips during the period Dec. 17 through Jan. 10.

S.M. Man Dies In Accident

Louis D. Passus, 45, 122 Claremont, San Mateo, was dead today after having been hit by an automobile driven by Harry V. Brown, 55, 141 Colton Ave., San Carlos, as he was crossing El Camino Real at San Carlos Ave. at 7:12 p.m. Sunday, the San Carlos police reported today.

Passus, a gardener who had just been visiting a brother, Edward Passus, in San Carlos, died in Mills Memorial Hospital at San Mateo shortly after having been struck.

Brown was arrested on a charge of drunk driving with injury and released from the county jail here today on $500 cash bail.

Passus, a native of the Hawaiian Islands who had lived on the Peninsula 10 years, was the son of Frank D. Passus of Santa Clara and brother of Manuel, George and Henry Passus and Mrs. Mary Forques of San Francisco, Joseph Passus, U. S. Army; Tony Passus of San Mateo and Eddie Passus of San Carlos.

Passus was listed as "John Doe" until this morning when two of his brothers, Tony and Eddie, identified him.

Funeral services are pending at Franklin & Crowe Mortuary.

Slovich Starts 60-Day Term

Joe Slovich, 45, 121 Manzanita St., a laborer, today had started serving a 60-day sentence imposed upon him by Superior Court Judge A. R. Cotton for attacking a roommate, Fred Barrows, 68, with a paring knife on Aug. 25. Slovich admitted assaulting Barrows during an all-day drunken brawl.

BOND SALE: Junior Chamber Claims Record on 'Avenge Pearl Harbor Day'

Redwood City Junior Chamber of Commerce today claimed a record for Tuesday's Pearl Harbor Day bond selling campaign. A. H. McGovern, junior chamber committee chairman, said the $39,697.10 in bonds and stamps was the largest amount sold over the counter in street sales on any one day in World War II.

The Exchange Club ran away with the competition with five other service organizations for the high mark in separately sponsored one-hour sales campaigns.

Highlighting the afternoon with a concert by the Sixth Coast Artillery Band directed by Chief Warrant Officer W. J. Hershenou, the Exchange Club sold $15,225 in war bonds between 4 and 5 p.m.

Second was the Kiwanis Club with a total of $8175. The Lions Club was in third place with $5925. Others: Native Sons of the Golden West, $3050; Foresters of America, $3325; Eagles, $1500. The junior chamber, which was not in competion with the other groups, sold $2025 in war bonds.

McGovern said a gold trophy will be engraved and presented to the Exchange Club.

In addition to war bonds the day's campaign produced $472 in war stamp sales, he disclosed. To Donald Baker, 39 Grand St., went an award for buying $19 worth of stamps during the Exchange Club hour.

The junior chamber committee thanked merchants who spontaneously contributed premiums for high bond sales during various sales periods. Awards included a ham and a Christmas tree from the Lucky Market, a 20-pound turkey from Territo's, 1000 letterheads from American Printing Co., a calf from Occidental Dairy, and a toy from Davies Auto Co.

Truck Theft Leads to Trouble

Vincent Hutchinson, 19, seaman first class stationed at Point Montara, Tuesday allegedly stole a heavy truck in San Francisco, which led to a pack of trouble.

Hutchinson, the California Highway Patrol reported, was driving the truck, owned by the Fresno Bag Co., down Bayshore Hwy. and started to turn into Ralston Ave., Belmont.

In order to avoid hitting him, Joseph L. Vandeveer of Ocean Shore,, driving a truck and semi-trailer owned by the Union Transfer & Storage Co. of Ocean Shore, put on the brakes and in so doing jackknifed the truck and trailer into a ditch.

Hutchinson stopped his truck on the highway, apparently to render aid to Vandeveer, the CHP reported, and the truck was hit from behind by an automobile driven by Charles C. Wilson, 50, of Mountain View. Wilson, who received only minor injuries, was the only one hurt.

Hutchinson was turned over to San Francisco police.

By Jim Asbestos

Christmas is a one-day-a-year sample of what the whole human race can be all year when it learns how.

For one day we are thinking more about giving than grabbing.

The prime purpose of the war is to knock the grab out of certain nations, and to try to establish the idea of kindness through the world. This latter may sound sissy—but, in the last analysis, what else are we fighting for?

Well, then, let's forget ourselves a little more than usual this Christmas. Make Christmas good for the kids, but beyond that, let us adults give our presents, if not our presence, to this war.

Let's fork over dough to buy bonds, let's contribute to war relief, save fats, save scrap, save tin cans, observe ration rules, help fight inflation, stick to our jobs—and otherwise put our heart and our dollars into Uncle Sam's Christmas sock at the Axis.

EASIEST WAY TO WHITEWASH A FENCE

"Do you recall the story of Tom Sawyer—and how he got his friends to pitch in and help him whitewash a fence? When they had done all they could, he did the rest.

"Government will be in Tom Sawyer's boots after the war. There will be a very large fence to paint. Government will either elect to do the job all by itself or will give encouragement and incentives to a free people to do most of it. If the latter path is chosen, there may be some part of the painting left for government—but it will be a small part which government can and rightfully should do."—**Lewis H. Brown, President of Johns-Manville.**

ASBESTOS—AND BLOOD PLASMA!

Mention Johns-Manville to most people and they think of asbestos shingles or rock wool home insulation.

But J-M really makes literally hundreds of different products in its 15 scattered plants, and some of these products belong in Ripley's Believe-It-or Not.

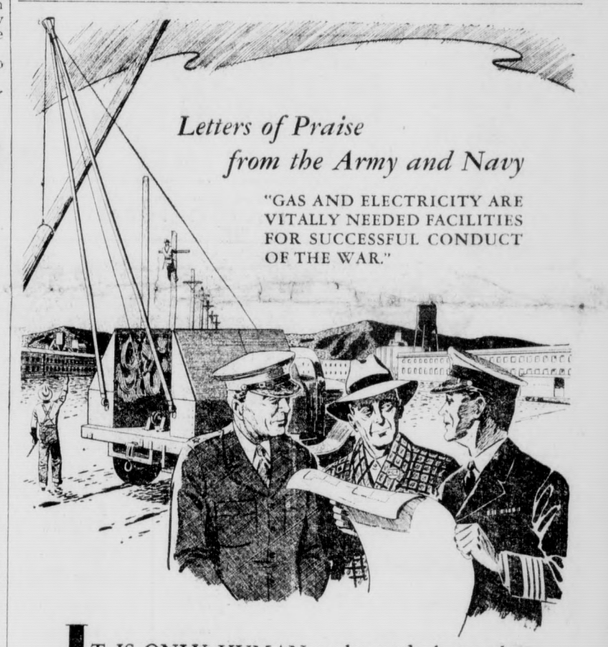
For instance, J-M supplies a special type of asbestos fibre used in making filter sheets for filtering blood, an important step in the processing of blood plasma. That's a long way from the shingles or wall board or rock wool which many folks think are J-M's only products.

LITTLE JOURNEYS TO J-M PLANTS

Asbestos Ebony! That is one of the chief products of the J-M plant at Nashua, N. H. It is used for electrical switchboards, and is now so important to the war program that the Navy and the Maritime Commission took J-M's entire production of it last year.

J-M Asbestos Ebony is a fireproof, moisture-proof material ideal for the electrical panels that control all the lighting and power circuits that serve the engine room, radio room and gun stations on U. S. ships.

-Jim Asbestos
JOHNS-MANVILLE



Letters of Praise from the Army and Navy

"GAS AND ELECTRICITY ARE VITALLY NEEDED FACILITIES FOR SUCCESSFUL CONDUCT OF THE WAR."

IT IS ONLY HUMAN to be made happy by words of praise for a job well done, especially when such praise comes from high ranking officers of the Army and Navy.

At any rate, that is the way the men and women of this company feel about letters of commendation received from Lieutenant General Delos C. Emmons, United States Army, and Vice Admiral J. W. Greenslade of the United States Navy. They are pleased and proud and determined to keep vitally needed gas and electricity flowing in full supply—on time—all the time. Below are excerpts from the letters:

From Admiral Greenslade:

"I am informed by the Inspector of Naval Material and by other officers of my staff having cognizance that the Pacific Gas and Electric Company met wartime demands swiftly and efficiently while at the same time continuing to supply the increased population of the district with essential services. . . . The Company is serving, or has undertaken to serve over a Million Kilowatts of Electricity and over Twelve Billion Feet of Natural Gas to Army and Navy establishments and War Industries. . . . All hands in the Pacific Gas and Electric Company should feel that they have played their part in establishing new construction and production records in this district. . . ."

From General Emmons:

..."In view of the splendid performance of the men and women of your organization during the period of emergency, I desire to record my word of commendation to them. The area embraced in the Western United States is a particularly vital and critical one in this war. It has been necessary to construct and operate numerous flying fields . . . to construct shipyards and repair docks and other marine facilities. . . . It is gratifying to know that all of the demands which have been made upon your people and your facilities have been met with most praiseworthy performance and that every reasonable expectation fulfilled."

To all the gas and electric customers, the men and women of this company in turn say—"Thanks for your help" through your voluntary conservation in the use of gas and electricity in the home. Conservation is helping us and helping the war effort.

DEGREES: 13 in County Complete Courses at U.C.

Thirteen from San Mateo County were on the list released today of 1111 students who were awarded degrees and certificates from the University of California.

Graduation convocation exercises replaced the formal commencement, and were held so soon after the end of the summer term, which closed Oct. 23, that final grades had not been determined. Today, however, Pres. Robert G. Sproul announced the names of those who received degrees and certificates.

Florence Marie Jaeger of Redwood City received the degree of bachelor of science from the College of Agriculture. Alfred Wheeler Childs, also of Redwood City, was awarded the bachelor of arts degree fro mthe College of Letters and Science.

Albert Wasserman of Menlo Park was awarded the degree of doctor of dental surgery from the College of Dentistry and also the degree of bachelor of science.

Margaret Louise Hanson of San Carlos received the degree of bachelor of science from the College of Agriculture, and Doris Laverne Lagomarsino of San Carlos was awarded the degree of bachelor of arts from the College of Letters and Science.

Other degrees were:

Burlingame: Barbara Jeanne Robinson, Robert Weir Watson Jr., bachelor of arts, College of Letters and Science.

San Mateo: Alex Nicolas Goryainoff, bachelor of science, College of Engineering; Margaret Anne Dornback, Frances Koshland Geballe, Phyllis Ann Seitz, bachelor of arts, College of Letters and Science.

South San Francisco: Gerald Arthur Bellagamba, degree of doctor of dental surgery and bachelor of science, College of Dentistry.

Daly City: Helen Louise Day, certificate of completion, School of Education.

Redwood City Masons To Install Officers

Redwood City Lodge 168, Free and Accepted Masons, will install 1944 officers Saturday evening, it was announced today. Retiring Master Henry W. Potts will be installing officer and Past Master Norris C. Cummings will be master of ceremonies. Music will be under direction of Otis M. Carrington, past master.

The 1944 officers: A. W. Russell, master; Clarence J. Holt, senior warden; Arlington E. Rishel, junior warden; Walter W. Hilton, secretary; Dr. Cummings, treasurer; Theodore M. Cole, chaplain; Paul F. Houseman, senior deacon; Samuel B. Saboff, junior deacon; Potts, marshal; Carrington, organist; Emil G. Steinegger, senior steward; Evert L. Tharp, junior steward, and George W. McNulty, tyler.

More than 160,000 women are employed in the U. S. transportation industry.

Wrigley Heads S.C. Masons

SAN CARLOS—Henry F. Wrigley was elected president of the San Carlos Masonic Club at a meeting held at the city hall last night.

Other officers elected were Brice Wheeler, vice president; R. B. Fodrea, recording secretary; Kent Hopkirk, financial secretary; Walter Simon, treasurer; George Peterson, sergeant at arms; Ed Burton, George Forbes and Franklin Duxbury, retiring president, directors. Installation will take place in January.

The club voted to take part in the February Chickens' Ball in which most organizations in town will participate.

After last night's election 100 members and guests took part in a Christmas party.

McCue To Head Exchange Club

Floyd McCue, publisher of the Redwood City Star Advertiser, was elected president of the Redwood City Exchange Club Tuesday. Other officers: Frank B. Tinney, first vice president; H. E. Holmquist, second vice president; T. N. Thompson, secretary, and Glenn Brunson, treasurer. On the board of control are Henry Nissen, Dr. Rollo LaBerge, J. C. Dodge, Jerry Shields and Leo Fuller.

The club entertained the Sixth Coast Artillery Band at dinner after the band appeared in the Pearl Harbor Day bond campaign during the Exchange Club hour.

Quinine is regarded as the principal prevention against and cure for malaria.

McKinley Plans Program

Andrew Spinas, superintendent of Redwood City elementary schools, today reported a Christmas musical program is being prepared by the seventh and eighth grade pupils of the McKinley School. It will be held in the school auditorium, the evening of Dec. 16, at 7:30 p.m. Approximately 150 children will participate in the musical program, consisting of glee club, orchestra, vocal solos and instrumental groups. The program will last about an hour and the public is invited to attend.

★ ★ ★

Christmas vacation in Redwood City's elementary schools will last one week, starting Dec. 20.

Sewage Survey Authorized

Asst. Dist. Atty. Daniel E. Sullivan Tuesday was instructed by the San Mateo County Board of Supervisors to draw up a contract with the Burlingame firm of James & Waters, civil engineers, to be presented at the next meeting of the board Dec. 14 to conduct a survey for a proposed new sewage district in the north end of the county—from the north city limits of Burlingame to San Francisco city limits.

Robert Klassen, South San Francisco engineer, said that plans and specifications from a survey made in 1930 could be used. Supervisor Chairman Fred E. Beer said the old survey and the proposed surveys were two different types.

Beer said a sewer district could not be formed without boundaries and boundaries could not be determined without a survey.

The board was still in session at press time this afternoon.

Group of Buildings In San Mateo Sold

Mr. and Mrs. Axel V. Johnson have sold a group of store buildings on 25th Ave., San Mateo, to Mrs. H. Miller for $55,0000, stamps on a deed on record with County Recorder T. C. Rice indicate. The deed was filed at request of California Pacific Title & Trust Co.

MONTGOMERY WARD

THIS YEAR GIVE SOMETHING USEFUL . . .

SOMETHING THAT WILL LAST . . .

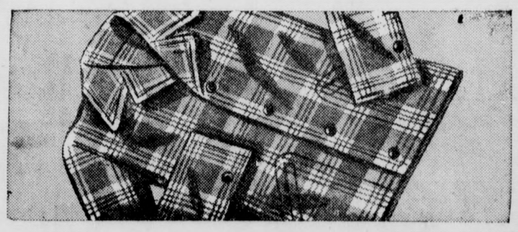
Practical gifts from Wards

CORTLAND TIES—A GIFT A MAN REALLY WELCOMES! **1.00**

You could pick out a handsome pattern with your eyes closed—that's how good-looking this Christmas assortment of ties is! Sparkling new patterns, conservative or bold prints, novelty stripes, plaids. Ties to suit any man's taste and dress him up for the holidays. Of fine rayons that look better—wear longer.

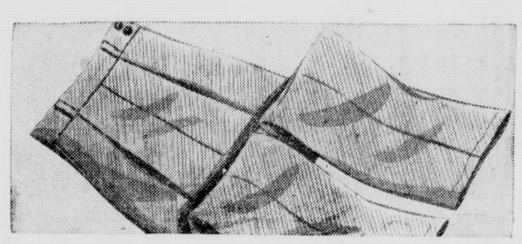
HER FAVORITE GIFT! SKIRTS AND JACKETS **2.98** and **4.98**

What fun you'll have choosing a skirt and jacket in her favorite colors! Pleated skirts of sturdy part wool in gay plaids that look so wonderful with contrasting jackets. They're well fitting and neatly finished. Sizes 24 to 30 . . . at 2.98. The jackets are nicely cut in her favorite classic 3-button style. Wool and rayon in smooth solid colors. 12 to 20.....4.98



GIFT JACKETS MEN WANT **4.98**

Men like to wear these wool plaid jackets 'cause they fit comfortably and don't get in the way! They like them 'cause they're warm, durable and practical. And your budget will like the low price!

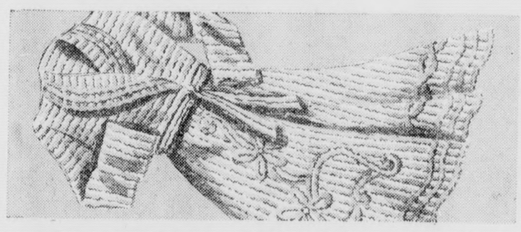


WARM STURDY SLACKS **3.98 - 4.98**

She's probably had a secret yearning for a pair of well-cut slacks for ever so long. These will fit so neatly, hang so smartly! Wool and rayon in navy, brown, gray. Sizes 24-32.

Children's HAT and MUFF SET **1.98 - 2.98**

Santa knows how little girls love to look grown-up! Velveteen bonnet gaily trimmed with a smart little bow. Matching muff just her size! Wine, brown, red, royal, teal, jungle green.

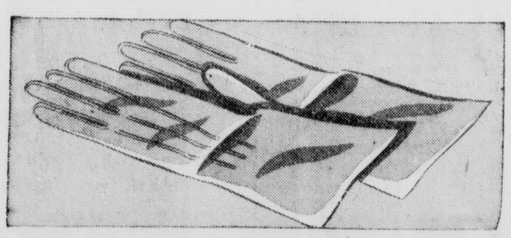


GIRLS' CHENILLE HOUSECOATS **2.98**

Sizes 8 to 16. Every young girl loves these glamorous housecoats in closely tufted baby chenille with stunning over-stitched designs! They need no ironing! Pretty pastels. Tub alone.

FLATTERING NEW NIGHTGOWNS **2.98**

And this is only one of a charming variety! All beautifully finished, all full cut to Wards exact specifications. Tearose and blue in fine quality rayon fabrics. Sizes 34 to 40.

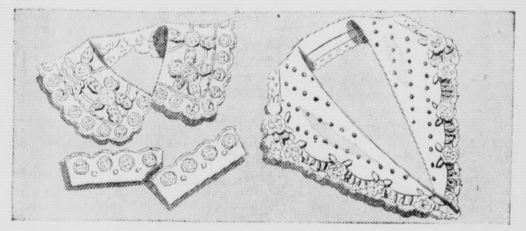


GIFT JACKETS MEN WANT **4.98**

Men like to wear these wool plaid jackets 'cause they fit comfortably and don't get in the way! They like them 'cause they're warm, durable and practical. And your budget will like the low price!

FINE SUEDE GLOVES FOR HER **1.89 pr.**

What could be more welcome than gloves like these! So expensive-looking! So expensive-feeling, too! Cut to fit well, sewn carefully for extra wear! Brown. 6-8.



FRILLY WHITE TOUCHES! **79c**

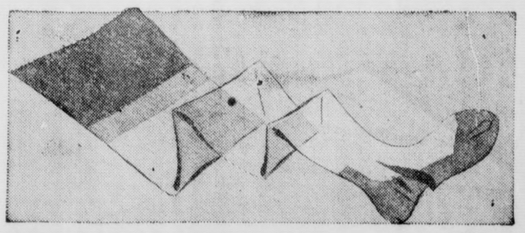
Picture a lacy collar and cuff set on that dull grey dress . . . or a crisp new bib on last year's print. Wouldn't it work wonders! A variety of styles in good quality, washable cottons.

A CHARMING NEW FASHION! **98c**

An instant success . . . the "Fascinator"! And your Ward store has it in the size, shape, color and fabric you want. At a price that will please you, too! In rayon, cotton, wool or mixtures.

CHRISTMAS SLIPS IN NEW AND PRETTY STYLES **1.98**

Good gift ideas! Luxurious rayon crepe and satin slips, lavish with lace or embroidery, and cut to fit wonderfully well! Practical note: they have strongly sewn seams that won't fray or slip, and they wash as well as they wear (an excellent recommendation because they wear beautifully)! Come in and choose from our fine selection today! Sizes 32 to 40.



GOOD-LOOKING RAYON HOSE! **75c**

In semi-sheers for "all occasion" wear! 42 gauge . . . a closer knit for longer wear, in 100 Denier rayon . . . for smooth, good looks as well! Full-fashioned. Reinforced tops, feet. 8½–10½.

Supervisors Consider Tax Appeal

The San Mateo County Board of Supervisors, sitting as a board of equalization, Tuesday took under advisement the applications for reduction of assessments of the Belair Shipyards and Western Pipe and Steel Co. after an hour and a half hearing.

The matter was taken under advisement upon advice of Asst. Dist. Atty. Daniel E. Sullivan and was continued to next Tuesday.

Counsel for Belair Shipyards contended their contract with the U. S. Maritime Commission could be canceled at a moment's notice in which case the company would have to move out and therefor the property should not be assessed.

It was also contended by Lawrence Livingston, one of the two attorneys who appeared for Belair Shipyards on behalf of the Maritime Commission, that under no circumstances should personal property be assessed.

County Assessor Martin J. Flynn testified that he had assessed certain machinery, which counsel for the shipyards and William R. Lawson, project manager of Belair Shipyards, contended should not have been assessed as real estate. They declared it was personal property.

Charles Wiseman, representing Western Pipe & Steel, said his firm objected only to being taxed on possessory interest. Certain objectionable items in the assessment have been eliminated by Flynn, Wiseman said.

Considerable time was spent this morning by Livingston and Bradford Bosely in questioning Flynn on how he arrived at the $101,581 assessment on Belair Shipyard property.

Flynn said he was instructed by the state attorney general's office to make assessment of possessory interest of Belair Shipyards and Western Pipe & Steel Co.

Livingston declared that where there is no right, there is no property, and where there is no property there is no assessment. He contended Belair operated more on a day-to-day basis than on a year-to-year basis, on which Flynn said he made the assessments.

Wiseman said he was concerned more with the validity of the tax than he was with the amount of the assessment.

Woodside Department Extinguishes Roof Fire

Woodside Fire Dept. Saturday night extinguished a fire in the corner of a garage roof adjoining a tank house on the estate of Daniel C. Jackling, copper mining firm executive, on Mountain Home Rd.

The blaze evidently started, Fire Chief John Volpiano said, from a spark from an overheated chimney in the servants' living quarters. Damage was estimated by Chief Volpiano at between $50 and $75. The Jackling home was not threatened, he said.

MEN IN SERVICE

PHILIP MASLIN
WINS PROMOTION

Promotion of Capt. Philip S. Maslin to the rank of major has been announced by Maj. Gen. W. E. Kepner, commanding Eighth Fighter Command according to a letter received here today from Maslin's station in England.

Maslin was given a leave of absence from the teaching staff of the Sequoia High School commercial department in 1941 to serve with the army.

He is stationed with a U. S. Army Air Force Fighter Wing somewhere in England.

With his transfer to England Maslin becomes almost a globe trotter, having been born in Hankow, China. He is the son of Rev. and Mrs. Paul Maslin, Berkeley. His first commission, as second lieutenant, was given him in 1934 at the University of California. Major Maslin received his A.B. degree from the University of California at Berkeley in 1935. In 1940 he was granted an M.A. degree.

CAPT. PHILIP MASLIN

After entering the service in 1941, Maslin attended Officers Air Corps Supply School, San Antonio, Tex. and Command and General Staff School, Fort Leavenworth, Kan. He was on duty in California before going overseas.

Major Maslin married the former Anne H. Hatfield in August, 1933. They have one son, Philip Star Maslin, age one and one-half years. Mrs. Maslin lives in Berkeley.

JAMES E. COX
NOW LIEUTENANT COLONEL

Temporary promotion and orders to active duty were announced by the War Department today for James Ellison Cox, 30, formerly of 104 Lexington Ave.

Cox was promoted from the rank of major to lieutenant colonel. He and his wife Lucy lived at the Lexington Ave. home for about four years. The couple left for Washington about three years ago. Mrs. James A. Miller, 430 Arch St., who corresponds with Lieutenant Colonel Cox and his wife said that he began his army work while in Redwood City. He was an officer in the reserve corps and spent summers in Monterey taking courses in gunnery.

Cox completed his training in Washington. Previous to entering the army, he was an accountant. His home is in the South.

★ ★ ★

CHARLES W. GATCHEL
WINS COMMISSION

D. Fred Gatchel, 176 Duane St., an instructor at Sequoia High School and an officer in World War I, yesterday had the privilege of presenting second lieutenant's bars to the eldest of his three sons, Charles W. Gatchel, in ceremonies at Stockton Field.

Young Gatchel, a Sequoia High School graduate and former student at San Jose State College, entered the army at March Field May 1, 1942, and trained at 10 different camps. He was assigned to the heavy armored division at Fort Knox, Ky., and Fort Bragg, N.C., before being granted a transfer to the army air corps.

Lieutenant Gatchel was one of 15 officers selected to report at Randolph Field, Tex., as an instructor. After a few days in Los Angeles, where his wife, the former Betty Jane Anderson, whom he married here Sept. 7, formerly lived, Lieutenant Gatchel will visit his parents

CHARLES W. GATCHEL

and two younger brothers, Richard, senior at Sequoia High School, and George, student at Lincoln Elementary School.

Rev. and Mrs. Charles H. Gatchel of Redwood City are grandparents of Lieutenant Gatchel. They accompanied the D. F. Gatchel family to Stockton Field for the graduation ceremonies yesterday.

Lieutenant Gatchel will go from Redwood City direct to Randolph Field.

Before entering the army, Gatchel was employed by the Douglas Aircraft Co.

6 Youngsters Hurt in Crash

A 60-year-old man today was in the county jail at Redwood City after his car jumped the curb Sunday and struck six children in front of the Manor Theater ticket office in San Mateo.

He was charged with drunk driving with resultant personal injury, although the children all miraculously escaped serious injury.

The driver, William Patrick McIntyre, a former employe of Bay Meadows, in a signed statement, told police he had been a cripple for the past eight years and that he had, nevertheless, secured a driver's license from the highway patrol at Redwood City last January. He said he was trying to park the car in front of the theater when the accident happened.

Injured were George Goudy, 14, 43 28th Ave., San Mateo, abrasion of leg; Coyla Burnett, 5, 405 Locust St., San Mateo, bruised leg; Mary Zarker, 4, 2531 El Camino Real, San Mateo, skinned nose and cut lip; Bill Zarker, 7, 2531 El Camino Real, San Mateo, bruised stomach; Don Zarker, 8, 2531 El Camino Real, San Mateo, bruised leg, and Neil Johnson, 11, 1423 Maple St., San Mateo, lacerated nose.

New Addresses

New addresses on file today in the Redwood City Water Dept. are: Erma Gorman, 717 Winslow St.; Mrs. Louis Giusti, 334 Brewster Ave.; M. S. Perkins, 640 Acacia Lane; Elden C. Combs, 283 Ferndale Way; Fred Hoover, 11 Francis Lane; Davis F. Day, 1502 Jefferson Ave.; S. Lopez, 204 Hemlock Ave.; William C. Tagmyer, 159 Park St.; C. O. Cervesi, 845 Upland Rd.; Mrs. J. O. Everson, 140 Springdale Way; W. W. Jeffery, Lot 7, Block 17, Alameda de las Pulgas; William V. Winters, 663 Park Rd.

S.S.F. Man Faces Three Driving Charges

Ward C. Van Sant, 44, 130 Belmont Ave., South San Francisco, Belair shipyard worker, had three charges placed against him Sunday afternoon when he was arrested ed by California Highway Patrolman Frank Chevalier on Bayshore Hwy. at Tunnel Hill, near South San Francisco—reckless driving, drunk driving and failure to heed a siren.

Chevalier reported Van Sant was driving 70 miles an hour. Chevalier chased him from the Consolidated Chemical Co. to Tunnel Hill before he was able to overtake the alleged speeder.

Van Sant was free today on $150 cash bail.

DRIVING CHARGE

Myron E. Harman, 41, 54 Clinton St., was free today on $100 bail from the county jail after his arrest Sunday on charges of drunk driving. Police said Harmon was arrested about 10:30 on the Bayshore Hwy. near Main St.

Army Urges Early Invitations

Request that people who plan to extend holiday invitations to enlisted men from the War Dog Reception and Training Center at San Carlos issue their invitations before Dec. 15 was made today by Lt. Bernard Cherry, special service officer.

Anyone wishing to invite enlisted men should contact Mrs. H. T. Sutcliffe of the USO, telephone RC 4377. She will then pass the invitations on to Lieutenant Berry.

Information desired on the invitations includes number of men wanted, name and address of person making request, telephone number and type of men wanted. Whether or not transportation will be provided should also be included.

Many applications in the past have been impossible to fill because of last minute notice, Lieutenant Berry pointed out.

ZOMPOLIS DEPUTY SHERIFF

Sheriff James J. McGrath today announced that he has appointed Nicholas P. Zompolis of Redwood City as deputy sheriff.

City Council Withdraws Demand on Fertilizer Plant

Redwood City City Council at a meeting Monday withdrew the demand made on Fontana Fertilizer Co. to show cause why its permit to operate a fertilizer plant on Bayshore Hwy. south of Redwood City should not be rescinded.

The action came after Health Insp. Royal Hodge testified that a fertilizer plant now in operation in the same vicinity did not breed flies and was not giving off offensive odors, at least at the time of the inspection.

Wayne Millington, attorney for Fontana also argued that since Fontana had incurred obligations of $1583 on the strength of the permit granted Nov. 1 and had not violated any ordinances the city had no right to order him to show cause.

In answer to protests made by H. M. Carscallen, of the Red Feather Products Co., Florence Wampler and other nearby property owners the council moved protesters be advised of the report of the health department.

The council further directed Hodge to inspect the plant at regular intervals and report to the council.

In order to bring a hearing on the question of rezoning of Lot 7, Block A on Vera Ave., property owned by Mrs. Daniel Flynn, Councilman Carl Britschgi moved the introduction of an ordinance to change the zone. The motion was passed over a "no" vote by Councilman Chester Armstrong who said all property in the fire zone along El Camino Real should be treated equally.

The move came after protests by Atty. Olin Nucholls, representing property owners in the area, said the change would open the lot to a multiple dwelling. Martin Flynn, son of Mrs. Flynn, said he was in favor of the move because he wanted to sell the property and could not do so while fifty feet of it extended into the fire zone. Special fireproof construction is necessary under zone requirements.

James Hedge, chairman of the committee for the proposed war memorial and civic auditorium reported the committee had held four meetings and formulated aims and procedures. Committee Member Otis Carrington reading the aims, said the committee will attempt to find out exact needs of the community, a good site, methods of financing the project, and work out preliminary plans.

The council moved the adoption of the committee plans.

City Mgr. Robert W. Mead reported that one bid of ten dollars had been received from the 128th Naval Construction Battalion for Redwood City band instruments.

The battalion has promised to return the instruments, if possible, to Redwood City at the end of the war.

Mayor Floyd D. Granger appointed Councilmen Hilton, Anderson and Britschgi to the newly formed industrial planning committee. City Manager Mead and City Atty. Paul McCarthey will act with the committee in an advisory capacity.

The council gave Mead authority to proceed in following the plan he outlined for eventual purchase of 30 acres of land west of Dickey St. for post war recreation developments.

Weltner Motor Co. was denied a permit to operate a used car lot on El Camino Real.

The council changed the city contribution on travelers insurance premium payments for city employees to from one-third to one-half.

The council adjourned in memory of Kenneth H. Phillips of Redwood City, killed while serving in the armed forces in Italy.

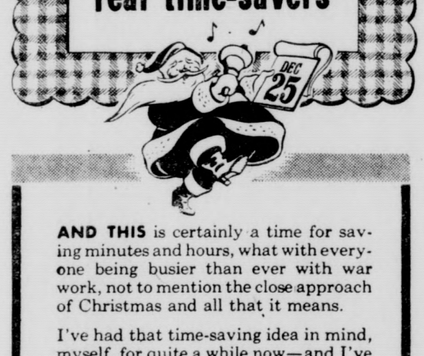
SPEED VICTORY—TAKE YOUR CHANGE IN WAR STAMPS

Julia says— Here are some real time-savers



AND THIS is certainly a time for saving minutes and hours, what with everyone being busier than ever with war work, not to mention the close approach of Christmas and all that it means.

I've had that time-saving idea in mind, myself, for quite a while now—and I've planned a few time-saving menus which I'll pass along because they have worked well for me.

Perhaps they will give you some good thoughts about simplifying your plans for nutritious meals during these crowded days. Why not try one of these

EASY TO PREPARE MENU IDEAS

* * *

Baked Biscuit Sandwich with
Mixed Greens and Vegetable Salad
Extra Biscuits Jam
Fresh Fruit or Baked Apple

Biscuit Sandwich: Make double recipe biscuits (4 cups flour or use prepared biscuit mix), halve dough. Divide one-half again and roll into 2 squares (8 x 8); place one layer in pan, add thick creamed filling of leftover meat or fish or luncheon meats, top with remaining layer of dough and bake in moderately hot oven (425° F.) about 25 minutes or until done. Cut in squares to serve. Bake remaining dough as biscuits.

* * *

Egg Scramble in Bologna Cups
Succotash Cole Slaw
Heated Bread Slices Honey
Baked Gingerbread Mix

Egg Scramble: Cube slices of bread (1 slice per egg), brown in bacon drippings, add egg beaten with milk (2 tbsps. per egg), scramble. Sauté sliced bologna or luncheon meat in drippings until slices cup. Fill with egg mixture.

* * *

Pan-Fried Ground Meat Patties
Raw-Fried Potatoes
Head Lettuce with French Dressing
Warm Packaged Chocolate Pudding
with Vanilla Flavored Milk

Raw-Fried Potatoes: Thinly slice peeled potatoes crosswise and pan-fry in generous amount of shortening in covered frying pan.

* * *

Crisp Waffles made from Packaged Mix
with Rarebit or Creamed Fish
Carrot Circles with Peas or Corn
Mixed Fruit Salad and
Cupcakes for Dessert

* * *

Speaking of simplified menus, there are a lot of things we can all do with flour and baked goodies. *Easy* to prepare, good to eat, and they use foods that are available in good supply.

Next week, in this column, I plan to offer you some practical ideas along those lines.

Julia Lee Wright Director
Safeway Homemakers' Bureau

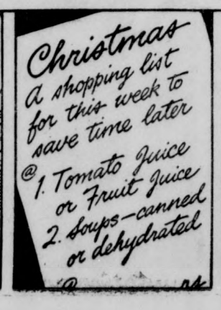
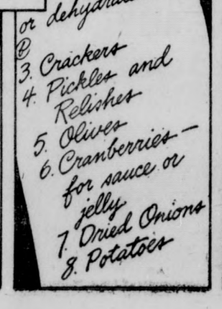
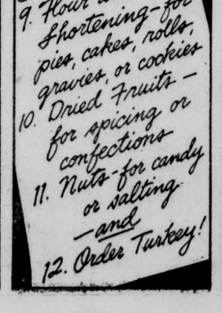
All advertised items including produce subject to stock on hand and price changes made necessary by Market fluctuations and new regulations from the OPA.

Prices in this ad are effective Tuesday through Saturday, December 7 to 11, inclusive, in San Francisco, Oakland, Alameda, Berkeley, Richmond, Hayward and other cities and towns in San Mateo, Alameda and Contra Costa Counties unless changes are required as a result of new OPA regulations.

LYDIA LIKES A LIST







©
9. Flour and Shortening—for pies, cakes, rolls, gravies, or cookies
10. Dried Fruits—for spicing or confections
11. Nuts—for candy or salting
—and
12. Order Turkey!

WHY, LYDIA! YOU MUST REMEMBER WHAT AN AWFUL TIME WE BOTH HAD SHOPPING FOR CHRISTMAS DINNER'S LAST YEAR.
I DO! WE WAITED TOO LONG THEN—AND I'VE LEARNED MY LESSON!

Lydia's word to the wives may help you too!

Christmas will be a happier day if you shop, early in this week, for the foods that will keep for that important dinner. Safeway has 'em—high quality at low cost!
